

Outlook Mobile App Setup

<p>Download the Outlook App on your mobile device.</p>	
<p>Launch the App and choose Add Account.</p>	 <p>The screenshot shows the Outlook app's welcome screen. At the top, it says "Welcome to Outlook" and "Bring all your emails, contacts, files and calendars together." Below this are two buttons: "Add Account" (highlighted in blue) and "Create New Account".</p>
<p>Enter your .org email address. Example: Idaly@srsd.org</p>	 <p>The screenshot shows the "Add Account" screen in the Outlook app. The time is 3:08. It prompts the user to "Enter your work or personal email" and shows the email address "Idaly@srsd.org" entered in a text field. Below the text field are two buttons: "Add Account" (highlighted in blue) and "Create New Account". At the bottom, there is a QR code icon and the text "Sign in using the QR code on your computer".</p>
<p>A Microsoft dialogue box will appear. Enter your email password.</p>	 <p>The screenshot shows a Microsoft sign-in dialog box. It features the Microsoft logo and the email address "Idaly@srsd.org". The main heading is "Enter password". Below this is a "Password" input field. There are two links: "Forgot my password" and "Sign in with another account". A blue "Sign in" button is located at the bottom right.</p>
