### ***Boxtops for Education***

Simply send in Boxtops labels with your child to his/her homeroom teacher, and the school can redeem them for cash to support school programs and events.

The SRMS History Buffs Club is also collecting Boxtops for Education. Simply send in Boxtops labels with your child to his/her homeroom teacher, and the school can redeem them for cash to support school programs and community events. (High school students can drop off their Boxtops labels in either office.) In 2012-13, funds were used for club field trips, a scholarship award, gardening supplies and community events such as the free Easter Egg Hunt.
