

SOUTHERN REGIONAL MIDDLE SCHOOL

NATURE CLUB

The mission of the Nature Club is to foster students' love of the natural world.

Through nature walks, educational videos, local clean-ups, and awareness projects related to our bays and surrounding areas, we strive to be a group that finds ways to appreciate nature and respect and protect our local environment.

All are welcome!

Sue Vilardi svilardi@srsd.net

MS Room E-11

Full Year, 2x per month, 2:15 – 2:55

See SRMS Student Bulletin for meeting dates
