

Class of 2022

Officer Election Speeches

PRESIDENT

Elyssa Eck'Art

Hello, my name is Elyssa Eck'Art and as many of you already know I am running for class president. I am dedicated to my position and all of you. I aspire to be a great leader and have much success while doing so. I will think of new and creative fundraisers, while taking everyone's opinions into consideration. My main focus is making sure we have the best high school experience possible. Being a captain for cross country has helped prepare me for this position, along with all the other activities I am committed to. I know what it takes to be successful and with your votes I will be able to demonstrate that for you. Thank you class of 2022 and don't forget to vote Elyssa for president.

Isabella English

Hi, I'm Isabella English, running to be President of the Class of 2022! Wondering why to vote for me? Here's why. First, involvement - I want to make sure that everyone is involved in fundraisers and school functions, not because you have to, but because you will want to. Also, I will be in charge of coordinating things such as school dances and our first event, the Freshman Tailgate. One of my goals is to fundraise so that we can make the cost affordable to everyone who wishes to go on the senior class trip. I am determined to make sure that the Class of 2022 will have the biggest turnout of kids who are able to go to Disney. Voting for me is voting for someone who will be dedicated to actually making all of these possibilities our reality.

I understand that many people want to have a fun time, and if you know me I'm all for that, but we need to be responsible as well, and I am someone who is responsible and willing to be involved in everything that the other class officers and I want to get done. I am a National Junior Honor Society member. I am also involved in S.H.O.P Club, student council, and I am the President of the David's Dream and Believe Cancer Foundation club. This year I've set up events for Competition Day to fundraise money for cancer. Finally, I was a member of the two year undefeated conference winning Field Hockey team as well as the Softball team. If you want to have an amazing high school experience where you will always have a great time, I think it is a great choice for you to vote for me, Isabella English, as your 2022 class president. Remember don't be hesitant... vote Bella for President!

Adelaide Holden

Hi, I'm Adelaide Holden, but please call me Addie. I am prepared to dedicate my time, my efforts, and my abilities as President to our graduating class of 2022. High School is a about growth and making memories, and I plan to help make it the best last four years of High School for everyone. I am open for others to share their ideas and wishes, so they can be collaborated into action. As President of our class, I plan to make our time at Southern Regional a highlight in our lives that we'll always remember.

Rachel Short

For those of you who are unaware of who I am, my name is Rachel Short, and I am competing to be the class president for the upcoming year because my dream is to make a difference to our school over the course of next year. Next year will be our first year in high school, so I want to make it our best. As leader of several clubs and sports in the middle school, I constantly hear the new ideas and improvements students have for our school, so one of my goals as president is to listen and consider every student's ideas. I also hope to make the following year exciting, upbeat, and overall just a fun time because wouldn't we all would like to have some fun in high school? A reason to vote for me is because, unlike my competitors, I am an extremely involved student who leads many clubs such as S.H.O.P. Club, Student Council, David's Dream and Believe, as well as National Junior Honor Society. In addition, I lead both my Cross Country and Track and Field team, and participate in S.T.Y.L.E. Above all, I still am able to receive high honor roll each marking period. Every day I show my dedication, hard work, kindness to others, and most importantly: my leadership abilities through every task I complete. We only have one year as freshmen, so we need someone with experience to make it the best year possible.

In my eyes the class president is not the boss, they are a voice representing the student body. Don't you want a good voice representing our grade? So, consider voting for me because I can guarantee you won't regret it.

Be a good sport and vote for Rachel Short.

VICE PRESIDENT

Mitch Gallacher

Hello, my name is Mitch Gallacher, and it may be hard to believe it, but 9th grade is already just around the corner and being a part of our classes executives would be an honor. I have come to the conclusion that being your Vice President would be the best possible position for not just me, but the entire class of 2022. As your Vice President, I plan to assure your happiness throughout our, soon to come, high school career. In office, I plan to work closely and diligently with the President to schedule and plan fundraisers and other special events. I am certain that working together will not be an issue, for I am a member of the STYLE program. There, I have learned how to work with various types of people and situations. Throughout my entire life I have been a determined and dedicated worker in anything I commit myself to, and because of my efforts, I have been fortunate enough to be accepted into the National Junior Honors Society. Thank you for your time and I hope to be leading you all along with our President next year!

Yater Henry

Hello, my name is Yater Henry and I am running for the Vice President of the Southern Regional graduating class of 2022. I am qualified for this position primarily because I have served in several other leadership roles! Last year I was the Titans Team president and this year I served as the Vice President of the Junior National Honors Society and the vice president of the Student Council. As the Titans team President I spearheaded a drive that collected money for a family that was going through terrible times. We raised an impressive amount of money that helped the family cope with the loss of their loved one. That is only one example of my accomplishments while serving as a leader. Furthermore, I am willing to do whatever I can to benefit the Class of 2022. My fellow officers and I have, time and again, served your class to the utmost. Things I will be focusing on next year will be our proms, fundraisers, school dances, and most importantly, the senior trip! As Vice President one of my highest priorities would be to get the largest turnout possible for the Class activities and the senior trip. Everyone deserves to have this experience of a lifetime so we need to make it affordable for all to go! With all this in mind, just remember, vote for Yater, and you'll thank me later.

SECRETARY

Jake Cornelius

Hi my name is Jake Cornelius, also known as Corn, and I am running for Secretary of the Class of 2022. I have some great ideas to make our class successful, and I would like to share some with you now. I will work very hard to make class fundraisers fun and profitable. I want to make the tailgate party a fantastic event that everyone wants to attend. I will dedicate my time in September to make sure we have the most successful wall in school. By having great fundraisers, we will be able to lower the cost of our proms. Always remember "Don't make a mistake Vote for Jake!"

Brenae Ervin

Hi, I'm Brenae, Brenae Ervin. I believe I am fully capable of becoming secretary of class of 2022 and performing the necessary duties needed. I have great leadership skills due to being secretary of student council and I am also involved in FCCLA, a leadership organization which plays a big role in my leadership skills. I am a responsible, hardworking, loyal, caring person who intends to make everyone's high school career memorable by helping with the fundraising of the senior trip, proms, homecoming, attending all home football games and assisting the class advisors and working with the class officers. I hope to make a huge impact on Southern Regional High School as secretary for class of 2022. Please vote Brenae for secretary.

Olivia Lee

Hi my name is Olivia, Olivia Lee. And I am running for Secretary for the class of 2022. Here is why you should vote for me. First of all, I am a very well-rounded student. I run cross country; I'm in National Junior Honors Society, I sing and I am exceptionally organized so I would be able to handle the tasks put in front of me. When I become secretary I will work with the other officers to make sure that we have fantastic fundraising events so we could do many activities including, football games, homecoming, proms and of course the senior trip. If you vote for me I will assure you that you will have the best four years of your life because...Olivia Lee is the Key!

Brianna Otto

Hello everyone! My name is Brianna Otto, but please call me Bri. I am running for Secretary, for our class of 2022. You might recognize me from history buffs club, girl's vocal ensemble, volleyball, or track. With clubs and sports out of school too, I am able to manage my time wisely, and still maintain a High Honor Roll status on my report card every marking period. I am very involved at Southern, and I am even National Junior Honor Society Secretary right now. Why should you vote for me? I am able to offer our class my time, energy, organization skills, and hard driven attitude all year long. High School, especially the upcoming freshmen year, is both stressful and thrilling at the same time. I would help take away as much stress possible by keeping track of how much we should raise for the senior trip, while also having a great time at the many enjoyable fundraisers Southern throws to raise that money. It is very important to maintain an organized and effective system to keep everyone and everything together completely. Thank you for your time and thank you in advance for your vote!

Rachel Vazquez

Last year, the class of 2021 had elections for student officers. They were elated, knowing that the year to come would be fantastic. Little do they know, that the class of 2022 is about to knock their socks off! Good evening, I am Rachel Elizabeth Vazquez, your fellow classmate, here to run for your class secretary. First of all, if I were to be elected, I promise to never forget who put me here, and that is each and everyone one of you watching this right now. In addition, I spend my own time volunteering at my local church as the secretary of the St. Francis Spirit Singers. In like manner, the position of secretary may be seen as the person who deals with the paperwork, but I plan on doing much more. I already have millions of ideas going through my mind for our homecoming, tailgates, and many fundraisers to come throughout the year. I would hate to have so many opinions and ideas that are beneficial to our student population, just to sit on the sidelines and watch. More importantly, many people view the election process as a popularity contest, when it is so much more than that. Throughout the year, we will face many obstacles and issues, and the officer's friends won't be able to help. It's important as a student officer to be a leader and to persevere, which is why I intend on becoming your class secretary for the class of 2022. Let's make our high school years exceptional, and when you receive that ballot, please vote for Rachel Vazquez. Thank you for your time and consideration.

TREASURER

John Bruther

Hello. As most of you know, my name is John Bruther and I am running for Treasurer. As our Treasurer, I plan to make our years throughout high school, fun and exciting. As Treasurer, I will be the one who arranges and organizes our fundraisers. Along with the other class officers, we shall work as a team where we will try our very best to give YOU, the class of 2022, the best possible experience we can. As the current Treasurer of our Middle School's David Dream and Believe Club I feel that I am the most experienced and well-prepared person to take on this position. Although I am faced with outstanding competition, I can assure you, I am the best suited for the position. Every day, I'm faced with new challenges and obstacles that I can overcome. I feel, as a student and a person in general, I have always been one to stand out. I come up with new ideas. I'm able to solve problems and come up with solutions. I am committed to the roles I take on. But most importantly, I feel that I can help shape a better future for all of us. We are the future. We are the Rams. We are the class of 2022.

Julia Nitting

Hey everyone, my name is Julia ... Julia Nitting and I am here today to tell you why you should choose me as treasurer of the Southern Regional Class of 2022. Why should you vote for me? I have prior experience being a successful treasurer of the National Junior Honor Society. On top of that, I have great organizational skills and I am very responsible. Having these qualities will help me keep good records and keep track of the money that is important to our class. I know how crucial these coming years are for us, so as treasurer I can use my knowledge of teamwork, along with responsibility to help this class achieve the best. I am the best candidate for treasurer because not only do I have the necessary qualities, I plan to dedicate time and effort to complete all tasks required of me. I look forward to working with the officers, students, and getting involved with the activities the Class of 2022 will participate in. I am looking forward to the great years ahead of us. I'll give the time required of me to this class and the only thing I am asking from you is for your vote. Thank You.

Emma Wasacz

Hi everyone! My name is Emma Wasacz, and I am running for treasurer for the class of 2022. Over the course of our four years of high school, there will be a handful of memorable moments, most importantly our junior prom, senior prom, and the Disney trip. The only way to make these things happen affordably is to raise a lot of money with fun activities and fundraisers. With me as your treasurer, I can make this happen. You should vote for me because math is a crucial part to being a good treasurer, and that is a subject I excel at. I also have a genuine interest for organizing events, and I can't wait to start planning exciting activities for our class. In addition to this, I have excellent time management skills, juggling many in and out of school clubs and sports, while still maintaining a high honor roll status every marking period for seventh and eighth grade. As we go further into our high school career, things gradually start to become more and more stressful and hectic, but I will help to minimize that as your class officer. If you vote me for treasurer, I will do my best to make prom and our senior class trip more affordable for everyone. I want all of us to have an amazing, unforgettable high school experience together and with the help from our class advisors, Ms. Elsasser and Ms. Rinaldi, and me as your treasurer, I know we can make this happen. Thank you for your time, and vote Emma Wasacz for treasurer for the class of 2022!
