World Language Honor Societies Membership Requirements

Revised 2014

Section 1:

To be eligible, a student must be presently enrolled in the third level or higher of a foreign language, and must currently be in the 10th grade or above.

Section 2:

- For the first screening, candidates must have maintained a 92 average or higher in the language at the completion of the first semester of the year of induction.
- For the second screening, candidates must have earned a cumulative average of 92 in the language for the two preceding levels.
- For the third screening, candidates must have maintained an overall GPA of 83 for three preceding years (or semesters for 10th graders).

Section 3:

The fourth screening consists of the professional judgment of the world language teacher regarding evaluation of the student's composite qualities of scholarship, character, honesty or service.

Section 4:

Inductees must be members of the sophomore, junior or senior class.

Section 5:

A member may continue his membership even though no longer taking a foreign language. He/she may then be an Associate Member until graduation. However, minimum expectations regarding participation in the activities of the specific language honor society will be outlined by each advisor. Acceptance of membership by the student entails a commitment to those responsibilities.

Section 6:

Associate members in good standing have all the privileges and benefits of the Chapter except those of voting and holding office.
