VISITORS TO THE BUILDING

All visitors must report to the main office upon entering the building.

DIGITAL HALL PASS

SRHS utilizes a Digital Hall Pass record-keeping system. Students must be checked in/out of the system by the teacher. Students will be given a hall pass from the teacher if they must leave during class time. Students are NOT permitted to bring cell phones with them to the bathroom. The teacher will record time out of class using the digital hall pass system. To prevent excessive/unnecessary time out of class, teachers will be able to view a student's hall pass usage throughout the day and make decisions accordingly.

LIBRARIES 9/10 & 11/12

The libraries are open every school day at 7:35 a.m. Both libraries are open after school until 3:00 p.m. on Monday, Tuesday, and Thursday. The 9/10 library is also open until 3:00pm on Friday. Computers are available for student use in the libraries before school, during lunches and after school.

STUDENT PARKING

11th & 12th Grade only

Students must register their vehicle on the genesis parent portal and bring \$5.00 to the 11/12 main office to obtain a parking pass. The parking pass must be affixed to the lower rear window on the passenger side. Vehicles with tinted windows or no rear window must place the parking pass on the front windshield in the lower corner of the passenger side.

Students must update their registration if they get a new vehicle during the school year. If a student drives an alternate vehicle to school, the student must sign in on the clipboard in the 11/12 main office by 8:00 a.m.

Any vehicle entering the student parking lot is subject to search at the discretion of school administration. A search may be conducted without warrant for any reasonable purpose. Search of the vehicle includes all compartments and components thereof. Once notified of intent to search, the person in control of the vehicle will not be permitted to remove it from the premises until the search is complete.

The high school student parking lot is routinely patrolled by the Stafford Township Police Department and Southern Regional High School Security personnel. Students are expected to operate their vehicles in a safe, courteous manner, abiding by all laws governing the operation of their vehicles. Failure to comply with a safe driving environment may result in:

- Verbal or written warning from Southern Regional Staff
- Summons from Stafford Township Police Department
- Suspension or revocation of student parking privileges

It is imperative that students lock their vehicles. Southern Regional School District is not responsible for loss or damage relating to your vehicle. Students are not permitted to go to the parking lot unless they have a written pass from administration. Students who are absent from school or have had their parking privilege suspended are not allowed to drive their vehicles on campus.

Identification Cards

All students will receive an identification card. Identification cards are used for school activities. There will be no charge for the first card. Replacement cards cost \$2.00 and may be obtained in the 9/10 library.

Chromebooks

Each student is issued a school Chromebook. Responsibilities for the care and use are outlined in the Technology Guidelines found at www.srsd.net/tech and the Parent Portal 'School District Provided Technology Device Form.' Students are to treat the computers with care and use them only for educational purposes. Any misuse of the computers may lead to disciplinary action or revocation of computer privileges. Damage to or loss of the Chromebook or charger will incur a fine or replacement cost and are the responsibility of the student and parent/guardian. All incoming students are required to review and sign the Acceptable Use Policy form. These guidelines remain in effect for the student's entire school career at Southern Regional High School.

The District utilizes Securly, a technology monitoring system, to monitor all Southern Regional student accounts. If a questionable search topic is identified during normal school hours, the system will alert administrators. Additionally, the Securly monitoring system provides options for parents/guardians to receive monitoring notices set to the parameters of their choice. The sign-up link will be emailed after Back to School Night, or you may contact your child's assistant principal.

Textbooks

Teachers will issue textbooks. Students should write their name, homeroom, and teacher's name clearly in the front cover. All textbooks should be covered at all times. Any damage to the book, including the loss of the book, will result in a fine when the book is collected.

Obligations

Any item, equipment, and/or textbook that has been lost or not returned will be considered a financial obligation. All such obligations must be reconciled prior to the issuance of transcripts or diplomas. Outstanding obligations may preclude the student from participation in certain school functions and/or privileges such as Homecoming Dance, proms, and parking on campus.

Lockers

Lockers are supplied for the convenience of students. Lockers are owned and maintained by the school. Every student is responsible for the contents of their own locker. Anything found in the locker will be the responsibility of the student to whom the locker is assigned. Lockers are subject to random search at any time. New Jersey Law (18A:36-19.2) provides that lockers or other storage facilities may be searched on reasonable grounds and periodically inspected, provided that students are informed in writing at the beginning of the school year that such inspections may occur, so as not to create an expectation of privacy. Lockers must be cleaned out by the last day of school. Items left will be disposed of appropriately.

Valuables in School

Students are cautioned not to bring valuables to school. Students are responsible for their personal property. Both hall and gym lockers should be locked at all times. Personal belongings left unsecured in the locker room are not the responsibility of the school.

Eighteen-Year-Old Students

In general, students who attain the age of majority (18) are expected to continue following all existing school rules and policies. Therefore, the parent/guardian will receive school communications such as mid-marking period reports, guidance material, discipline notices, attendance correspondence, report cards, etc. Notes for being absent must be signed by the parent/guardian. Students can obtain further information about the rights and responsibilities of eighteen-year-olds under the law from their assistant principal.

ATTENDANCE

New Jersey Statute Title 18A:38-25 requires that school-age children attend school regularly. The State of New Jersey limits absences for the 180-day school year to **17 days**; this includes illness, vacation, and other documented absences.

New Jersey defines **chronic absenteeism** as missing ten percent or more of the school days for which the child was enrolled. **Students with chronic absences may jeopardize their ability to obtain the course credits necessary to advance to the next grade level and may be excluded from participation in extracurricular activities, field trips, and/or other special events like dances, musicals, concerts, proms, and school trips.**

NOTE: A student is truant for the year if they exceed 17 absences.

If a student is truant (exceeds 17 absences):

- The Southern Regional School District may file truancy paperwork with the Stafford Township Municipal Court
- The student will be placed in **NO CREDIT STATUS**. If a student remains in **NO CREDIT STATUS**, they will not obtain course credits for the current school year, regardless of grades, and consequently may not progress to the next grade level and/or graduate. For your child to redeem course credits, they must attend school daily and participate in an attendance redemption program.

An absence for the five (5) State recognized excused absences listed below shall not be counted against the 17-day threshold.

1. State of NJ approved religious observances.
2. College visit (11th & 12th grade only, limit 3)
3. "Take Our Children to Work Day"
4. Participation in observance of Veterans Day or district board of election membership activities.
5. Closure of a busing district that prevents a student from having transportation to the receiving school

NOTE: All other absences, which are not State recognized Excused Absences according to the above, shall be considered "Unexcused Absences" regardless of the reason or documentation.

If a student will be absent due to vacation, the parent/guardian must call the attendance office stating the dates when the student will be absent from school and the student must pick up a vacation request form from the attendance office. The student is responsible for communicating with each teacher to obtain all classwork and homework. All vacation days are counted as unexcused absences.

If a student needs to be absent during final exams for any reason, the parent/student must contact the grade level assistant principal to ascertain the relevance of the absences and determine if alternative testing times are appropriate. Students will most likely need to return to school during the summer hours to make up any final exams.

College Visits

Juniors and seniors are permitted to miss up to 3 days of school for college visits with the appropriate documentation. In order for the day to be excused as a college visit, an official letter from the college must be submitted to the attendance office.

Reporting Absences

The Board shall require from the parent/guardian of each student who has been absent from school for any reason a written statement of the cause for such absence. The Board may report to appropriate authorities infractions of the law regarding the attendance of students below the age of sixteen (16).

Report absences to the attendance office through the Genesis Parent Portal. Submit medical or legal documentation to the attendance office within 48 hours of the absence.

Early Dismissal Procedure:

For an early dismissal, the person picking up the student must be listed as an emergency contact and provide photo identification.

Seniors who are 18 years old may be permitted to drive if the 18-year-old Permission to Drive form is on file in the attendance office. Parental verbal communication is required to confirm the early dismissal with the attendance office. Students are not permitted to sign out younger siblings from school. Before leaving the building, all students must report to the attendance office to be signed out.

Cutting Class

Students who are absent from class while being present in school shall be referred to the administration for disciplinary action for cutting class. Additionally, the attendance policy regarding credit status will be applied. **All students cutting class should receive a "0" as a grade for that day unless notified to the contrary by the classroom teacher.**

Lates to School

If a student is late to school five (5) or more times, detentions will be assigned on the fifth, tenth, fifteenth, and all subsequent lates. Students who have accumulated excessive lates or absences may be prohibited from participating in school activities. In addition, parking privileges may be suspended and/or revoked. Any classes missed due to being late to school will be treated as an unexcused absence and students will need to follow the procedures for make-up work.

Late to Class

Teachers will address students who are late to class. Repeated lateness to class may result in teacher detentions, parental contact, or an administrative referral.

Makeup Work

It is the student's responsibility to communicate with teachers to obtain make-up work. Students may be expected to stay after school to make up work. Work that is not made up will result in a zero (0).

Extended Illness

Students absent from school due to illness, should obtain missed work by contacting their teachers directly via e-mail. In the case of an extended absence, the Guidance Counselor should also be notified.

Home Instruction

Home instruction may be provided for a student whose illness will prevent them from attending school for ten or more consecutive days. The parent must obtain a letter from a doctor diagnosing the student's illness and indicating the anticipated length of absence and the ability to undertake home instruction. Home instruction letters must be submitted to the guidance counselor for approval. Home instruction does not begin until the student has been absent from school for 10 days.

TRANSPORTATION

The following rules apply to all school transportation:

1. Be on time to your designated bus stop. It is suggested students arrive ten minutes early.
2. Wait for the bus to come to a complete stop before attempting to board.
3. Remain seated while the bus is in motion. The driver has the discretion to assign seats.
4. Keep hands and head inside the bus at all times. Do not throw anything inside the bus or out of the window.
5. Be courteous to other pupils and the driver.
6. Use seat belts where provided.
7. All school rules are in effect while on the bus and at the bus stop. Follow all instructions given by the driver.
8. Students must ride their assigned bus, including the activity bus, unless a written note has been received and verified by the main office.
9. The driver is the person of authority on the bus. The driver will report students who are uncooperative or unmanageable to administration for disciplinary action. In the case that a bus suspension is warranted, parents or guardians are responsible for providing transportation to and from school. (NJ Statute 18A:25-2)
10. Upon arriving at school, students must not leave the Southern Regional property; they must go directly into the building.

Late Buses – 3:00pm and 5:15pm

The following rules apply to all late buses:

1. Late buses are a privilege available for students staying for extra help, make-up work, detention, clubs, athletics, or any school sponsored activity.
2. A late bus pass is needed to board a late bus. Students must have a pass from the teacher, advisor, or coach with whom they stayed in order to ride a late bus. Groups that meet daily, such as athletics, will receive a special laminated pass. For all other meetings, a faculty member will issue a bus pass at the end of the activity period.
3. Students who leave school property after school will NOT be permitted to ride a late bus. Any student who leaves school property and then attempts to board a late bus is subject to disciplinary action.
4. Students must ride their assigned late bus home. Students who ride a different bus without written permission are subject to disciplinary action.
5. All regular bus rules are in effect.

All school buses are equipped with surveillance cameras.

ACADEMIC INFORMATION

Grading procedures

Progress reports and report cards will be posted on the parent portal for each marking period. Quarterly and final assessments are given for all full year courses.

Quarterly report cards and your final transcript reflect numeric grades. The following grade equivalents apply:

A	92 - 100
B	83 - 91
C	74 - 82
D	70 - 73
F	69 and below (no credit)

IN	Incomplete
WP*	Withdrawal Passing
WF*	Withdrawal Failing
P	Passed

*Grades reported as a WP/WF will be permanently recorded on the student transcript.

Honor Roll

Students who achieve the following will be recognized for Honor Roll and High Honor Roll.

High Honor Roll	92 or better in every class
Honor Roll	83 or better in every class

Schedule changes

Once the school year begins, schedule changes are difficult. Make thoughtful decisions on your course selections and your alternate course selections. If you are scheduled into a course, it may not be possible to change your schedule. Contact your guidance counselor prior to the start of the school year to request any course changes.

Grade promotion

Promotion from one grade to the next depends upon the accumulation of credits. Please see the following credit guidelines:

Grade Level	Credits Needed
Sophomore	25
Junior	55
Senior	85
Graduate	120

Failure to earn the required credits listed above will result in retention. Students will be reassigned to the same grade level homeroom and lunch for the upcoming year.

New Jersey Department of Education Standardized Assessment Graduation Requirements

Students in 9th grade will be required to take the NJSLA-A ELA 9 assessment and the NJSLA-A Mathematics assessment corresponding to their current mathematics course. Students in grades 10-12 who are enrolled in Algebra I for the first time must take the NJSLA-A Algebra I assessment.

All students will take the NJGPA-A and NJSLA Science assessment in the spring of their junior year.

GRADUATION REQUIREMENTS FOR THE CLASS OF 2027

First Pathway

Students must take and demonstrate proficiency in grade 11 on the New Jersey Graduation Proficiency Assessment (NJGPA), which includes content aligned to the grade 10 New Jersey Student Learning Standards (NJSLS) in ELA, and the NJSLS in Algebra I and Geometry. If after completing the New Jersey Graduation Proficiency Assessment a student does not demonstrate proficiency on the ELA or mathematics section, the student may retake the New Jersey Graduation Proficiency Assessment in the following fall.

Second Pathway

Students who sat for the New Jersey Graduation Proficiency Assessment in grade 11 and did not demonstrate proficiency are able to demonstrate proficiency in ELA and/or mathematics by meeting the designated cut score on one of the assessments on the following competency tests.

The NJDOE annually approves the graduation cut scores for the second pathway. The scores listed below were approved for the Class of 2026. If the NJDOE changes the graduation cut scores for the Class of 2027, all students and parents will be notified.

HEALTH SERVICES

School Nurses

Mrs. Kathryn Bates, 11/12 HS Nurse, ext. 4296

Mrs. Barbara Nokes, 9/10 HS Nurse, ext. 4335

A medical exam is recommended at least once during each developmental stage, grades 7 through 12. Contact your child's doctor for an exam and send in any medical exam forms to the nurse's office. Please update the school nurse through written documentation of any changes in your child's health.

Medications

The NJ State Department of Education issues guidelines for the administration of medications in school. Below is a brief summary of those guidelines; a more detailed version is available in the Health Services link at www.srsd.net.

1. A parent/guardian must present a written and signed order from a licensed physician or from an advanced practice nurse along with written parental permission every school year for a child to take prescription or over-the-counter medicines in school.
2. All medication must be kept in the original container and may be administered only by the school nurse in the nurse's office. All medication must be brought to the nurse's office by the parent or guardian. Supplements and capsules that appear to be medications, if not prescribed, will be considered as substances under the substance abuse policy.
3. Parents are responsible for notifying the school nurse every school year if their child is carrying emergency medication such as epi-pens or inhalers; proper medical and parental forms must be completed.
4. The student's parent/guardian must pick up any unused medication on the last day of the school year or the school nurse will discard the medication.
5. Medication Forms and Action Plans for allergies, asthma and diabetes are available in the Health Services link at [srsd.net](http://www.srsd.net) (self-carry/self-administration permission for epi-pens and inhalers is included in the action plan).

Immunizations

According to the NJ Department of Health, each student is required to have the following immunizations: DTaP, Tdap, Polio, MMR, Hepatitis B, Meningococcal, Varicella, and Mantoux.

Other information

- If your child does not have health insurance, NJ Family Care may be able to help. Please contact 1-800-701-0710 or call the school nurse for further information.
- Screenings, height, weight, and blood pressure are conducted annually.
- Visual acuity is conducted biennially through grade 10. Auditory acuity is conducted in grades 7 and 11.
- Any parent/guardian or staff member may request a vision or hearing screening at any time during the school year, if a problem is suspected.
- Please contact the school nurse if you do not have vision insurance.
- A scoliosis examination is performed biennially on students between the ages of 10-18.
- Any parent/guardian wishing his or her child to be excluded from this examination must contact the school nurse.
- Epinephrine-Each school building has employees who volunteer to be trained and designated by the school nurse to administer epinephrine during an anaphylactic emergency.
- Each school building has an automated external defibrillator (AED) that is accessible during the school day for sudden cardiac events.

Fact Sheets

The NJ State Department of Education requires annual distribution of the following fact sheets:

Meningitis Fact Sheet information: <https://www.srsd.net/HealthServices/docs/1718/Meningococcal.pdf>

Human Papillomavirus (HPV) : https://www.srsd.net/HealthServices/docs/1718/hpv_brochure.pdf

If you are unable to retrieve the fact sheets, please contact the school nurse and they will be mailed home.

Physical education and medical excuses

Occasions will arise when students will require a medical excuse from participation in physical education activities. A procedure is in place that will allow students to care for their medical problem while still meeting the State mandated physical education requirement. Please consult with your child's guidance counselor, physical education teacher, or school nurse if the need arises for a medical excuse for physical education. A physician's note is required for any excuse beyond one day.

All health resources are available in the Health Services link at www.srsd.net

CO-CURRICULAR PROGRAMS

Southern Regional High School offers a variety of co-curricular activities. Interested students are encouraged to participate in the many activities Southern Regional provides for its students.

Because of the value of these activities, the Board of Education requires its students to maintain standards of academic and behavioral excellence. Participation in athletics and school activities in the Southern Regional School District is a privilege.

Being a member of an activity or team does not entitle any student to any special privileges in the school. Rather, it may carry a burden of being a good school citizen in the face of peer pressure to become involved in some action that might violate school rules. Our athletes and participants are expected to set examples of good citizenship and cooperation that will reflect upon them as individuals and upon all our athletes and participants in general.

Attendance

Any athlete or participant who is absent from school may not participate in practice, games, or activities on that day unless permission has been secured from the principal or their representative. In order to be considered present, a student must be in attendance a minimum of four hours. In the event of an athletic contest on a non-school day, attendance in school on the day immediately prior to the event is required.

Co-Curricular Eligibility

Students interested in participating in co-curricular activities (after school sports, clubs, and activities) **MUST** meet the following Southern Regional eligibility requirements and have permission from a parent or guardian:

Season	Grade 9	Grade 10	Grade 11	Grade 12
Fall	All Eligible	30 credits must have been earned from previous year	30 credits must have been earned from previous year	30 credits must have been earned from previous year

Student Publications

The Ram

The Southern Regional yearbook is a school publication whose theme, composition, layout, preparation for printing, and sale are handled by a staff composed of students from grades 11 & 12. It is an all-school book, representing every class and every student in the school. This pictorial and written record of one school year attempts to present all the events and activities that have transpired throughout the school year.

The Rampage

The Rampage, Southern's newspaper, is a student produced publication whose staff is composed of students from grades 9-12. Staff members conduct interviews, do research and otherwise gather data in order to produce high caliber, journalistically sound articles that range from hard news through sports and human-interest pieces. The Rampage strives to reflect the interaction between the surrounding community and the school population. Find The Rampage on <https://sites.google.com/a/srsd.org/rampage/>.

Performing Arts Program

Concert Choir: This choir is comprised of students who have demonstrated refined musical and vocal skills. Various musical repertoires from Classical to Broadway are performed throughout the year at various festivals, competitions, and school concerts. Students will experience in-class performances as well as two major concerts in the year.

Honors Select Choir: This small choral ensemble is comprised of advanced music students and performs the highest level of vocal music in the district. This course requires extensive student participation beyond regular school hours due to the performance and competition schedule. Enrollment is determined by director recommendation and audition.

Marching Band: This championship group begins its season with summer band camp and extends throughout football season and often into the spring. The highly skilled marching unit, in addition to performing at football games, participates in parades, festivals, and competitions throughout the United States. In recent years, this group has won both state and regional championships.

Indoor Drum Line/Indoor Guard: Members must be in marching band to join these groups and they compete weekly February through April. Both groups incorporate the musical and drill aspects of marching band and color guard for indoor performances and competitions.

Small Ensembles: Various small vocal and instrumental ensembles are offered within the department and perform throughout the community.

Symphonic Band: This band is comprised of students who have demonstrated refined musical skills and who wish to develop advanced musical skills in an ensemble setting. Membership is determined through audition and director recommendation. The band presents two public performances yearly.

Honors Wind Ensemble: This band is comprised of advanced instrumental students who perform the highest level of band music in the district. Enrollment is determined through audition and director recommendation. The band presents two public performances yearly.

String Orchestra: The orchestra explores a wide spectrum of string music, ranging from popular to the classics. The orchestra is open to students who already have musical experience in playing the Violin, Viola, Cello, or Bass. The orchestra participates in festivals and performances throughout the state as well as presenting several concerts in the district yearly.

Honors Select String Ensemble: This orchestra is comprised of advanced strings musicians and performs the highest level of orchestra pieces in the district. This course requires extensive student participation and performs several concerts each year along with school events, such as Scholarship Night. Also, this orchestra participates in festivals throughout the state. Enrollment is determined by director recommendation and audition.

Jazz Ensemble: The Jazz Ensemble is chosen by audition, consists of traditional jazz band instrumentation, and studies and performs a wide variety of advanced music including jazz, pop, and rock. Auditions are open to the entire student body; the band forms in the fall and performs in numerous concerts and competitions throughout the year.

Jazz Lab Band: This band is offered to the intermediate jazz student and is comprised of the same basic instrumentation as the jazz ensemble. Students are not required to audition to participate; however, they are encouraged to audition for the Jazz Ensemble. The number of students who participate is highly expanded from that of the Jazz Ensemble. The styles of music and performance venues are much the same as the Jazz Ensemble.

Tri-M Music Honor Society: This honor society exists to recognize young music students for their efforts and accomplishments in music on the basis of musicianship, scholarship, character, cooperation, leadership, and service to their school and community. The organization's high standards serve to challenge students to greater effort and achievement and to encourage the pursuit of excellence. Students are eligible to apply in either their junior or senior years.

District Musical: For over 30 years, the Southern Regional Theatre Company has had a long-standing history of quality entertainment. The District Musical is open to all students grades 9-12. Auditions take place in November, with rehearsals during the months of December, January and February. Students may audition/inquire to participate "on-stage" or "behind the scenes."

International Thespian Society: This honor society recognizes students for their contributions to the theater program at Southern Regional High School. ITS recognizes, rewards and encourages student achievement and celebrates the work of students in all aspects of theatre – performance and production.

National Honor Society (NHS) – The Helm Chapter

2026-2027 NHS Officers	
President	Paul Reilly
Vice President	Ryland Heitchew
Secretary	Kai Angelozzi
Treasurer	Chloe Johnson
Historian	Kayla Dynak
Parliamentarian	Aaron Wyrsh
Advisor	Jeffrey Brown jbrown2@srsd.net
Co-Advisor	Steven Schaffer sschaffer1@srsd.net

The National Honor Society of Southern Regional High School is one of 15,000 NHS chapters in the United States. As such, it is governed by national as well as local standards. It is important to know that the NHS is not only an organization that recognizes high academic achievement but also one with a service component embedded in its structure. Successful candidates and members are held to the same high standards of scholarship, leadership, character, and service that are the criteria for selection. Students need to begin to prepare now to meet the criteria for future NHS membership.

Selection Process

A five-member Faculty Council selects members of the National Honor Society in the spring of each year. Juniors who have earned a 95% weighted GPA by February 1 are invited to complete a Student Information Form. GPA is based upon grades earned from grades 9-11. This year's seniors will have a second opportunity to apply in the fall, as long as their GPA is 93% or better.

Successful candidates will be those who also meet the following criteria:

1. Character: A positive role model of the traits of honesty, integrity, respect, and attitude.
2. Community Service: All students must obtain fifty (50) volunteer service hours to qualify for National Honor Society. Service performed in the summer of the 8th grade year will be considered as 9th grade service. Equal hours of service do not have to be performed each year, i.e., 10 hours for grade 9, 10 hours for grade 10, but there should be evidence of service completed each year and preferably a positive progression of hours. If you have any questions about service, please contact Mr. Brown directly at jbrown2@srsd.net.
3. Leadership: Evidence of a positive attitude, consistent attendance, ability to meet deadlines, respect for self and others, punctuality, and adherence to school policies and rules must be shown. While students who have received administrative discipline for non-adherence to school policies and rules will not be permanently disqualified from membership, their application will not be considered until a probationary period has passed. Students should not have more than 15 lates to school and 17 absences throughout a school year.
4. School Activities: Students must be actively involved in at **least two activities per year** in the years prior to membership. School activities may include, but are not limited to any clubs, marching band, sports, theater, major events, etc.

President	Michael Gatto
Vice President	Riley Derion
Secretary	Lindsey Tetzlaff
Treasurer	Lillian O'Sullivan
Executive Members	Keegan Costello
Advisor	Rebecca Posch rposch@srsd.net

The Student Council of Southern Regional High School has the privilege of discussing and helping to formulate school policies that affect student activities and school life in general. It promotes an understanding of school traditions among students, and it fosters school spirit. The Student Council solicits input from students and is the collective voice of the student body. The Student Council is made up of representatives selected in September. The officers of the Council are elected in a school-wide election in the spring. Eligibility for office is in accordance with the Constitution of the Southern Regional Student Council. The organization meets approximately twice a month while the officers meet with the advisor more frequently to conduct the day-to-day activities sponsored by the group.

Requirements for Elected Officers

Minimum prerequisite to run for student council office:

1. Grade requirement: All candidates must have a marking period average in each class no lower than a 74.
2. An all-day detention or out-of-school suspension will negate a candidate's ability to run for office.

Requirements for officers once in office:

1. All officers are expected to attend all student council meetings and activities. Failure to do so may result in removal from office.
2. Each officer's grades will be reviewed six times per year (progress report and report cards MP1-MP3). Any grade less than a 70 two consecutive times in the same class may result in removal from office.
3. An all-day detention or out-of-school suspension will result in an automatic dismissal from office.

The principal and student council advisor will select a replacement for a vacated position.

WORLD LANGUAGE HONOR SOCIETIES

World Language Department: Susan M. Craig, Supervisor scraig@srsd.net

Membership Requirements 2026-2027

Section 1: To be eligible, a student must be presently enrolled in the third level or higher of a Southern Regional World Language class. Potential inductees must be current members of the sophomore, junior or senior class.

Section 2: ▪ First screening: Candidates must have maintained a 92 average or higher in the targeted language at the completion of the first semester of the year of induction. ▪ Second screening: Candidates must have earned a cumulative average of 92 in the targeted language for the two preceding levels. ▪ Third screening: Candidates must have maintained an overall GPA of 83 for the three preceding years (or, in the case of 10th grade students, three preceding semesters)

Section 3: ▪ Fourth screening: Professional judgment of a world language teacher committee, in conjunction with school administration, regarding evaluation of each student's composite qualities of scholarship, character, honesty or service.

Section 4: A student may continue membership even though no longer taking a world language course and be regarded as an "associate member" until graduation. However, there are minimum expectations regarding participation in any activities of the specific language honor society (to be outlined by each advisor). Acceptance of membership by the student entails a commitment to those responsibilities.

EMERGENCY PROCEDURES

Fire Drills

In the event that a fire alarm sounds students and staff should exit the building in an orderly fashion.

1. Gather essential belongings and exit the building by way of the posted instructions.
2. Teacher remains in the classroom until all of the students have exited.
3. Classrooms are locked when the last student has exited.
4. Once outside of the building move away from the building and stay clear of the areas that would be utilized by fire apparatus in the event of an actual incident.
5. Report to the designated area as per the posted instructions and remain together as a class with your teacher while attendance is being taken.
6. Once the all clear is given return to the classroom you were in when the fire alarm sounded.

Secure-All Procedures

Principals will use the PA system to declare the situation and inform everyone as to procedures. Drills will be distinguished from actual events.

1. Teachers direct the students to enter classrooms, office areas or other spaces that can be secured with a locked door.
2. Students should enter the nearest classroom, office space or other area that can be secured with a locked door.
3. Teachers will check the hallway immediately outside of their classroom and call in any students they see.
4. Take a position in the safest part of the room away from windows and out of the line of sight of any door/window.
5. Lock doors, shut off all lights and pull shades in the classroom.
6. Students who are outside of the building should remain outside and move toward any logical gathering area where they can be accounted for.
7. Ignore all bells and fire alarms until further notice.
8. Wait for an "All clear" announcement from the building principal.

Oyster Creek Nuclear Generating Station

In the event of an emergency, the first action may be IN-PLACE PROTECTION/SHELTERING. At this level, students will remain indoors to reduce or eliminate exposure. If the plant condition continues, long before the public is in danger, an evacuation will be ordered. Specific plans have been developed for transportation, routes, drivers, and other resources necessary to remove students to safe locations.

Your child who is registered in grades 9-12 at Southern Regional High School will be transferred, with adult supervision, to Stockton State University in Pomona where they will be registered and cared for until your arrival to pick them up and reunite with the family. If you need additional information, please contact the main office.

DISCIPLINE

Offenses that will merit the Administration to take disciplinary action or, when the situation warrants, appropriate legal action shall include, but not be limited to, the following:

1. Cell Phone Policy

- Cell phones must be off during all instructional periods - bell to bell.
 - Students must adhere to the policy and procedures established by the classroom teacher for each of their classes. Policies can include, but are not limited to, the following: utilizing hanging cell phone holders or cell phone boxes, requiring phones secured in students' personal belongings out of sight, etc. Any student in violation of the cell phone policy will receive disciplinary consequences.
 - Cell phones should not exit class with the student unless the student is leaving the class for the remainder of the period.
 - Meta glasses/Smart glasses or any devices capable of recording are prohibited.
 - Using a cell phone, smart glasses, smart watch, or other electronic device to take, send, post, or share inappropriate or unauthorized photos, videos, texts, or posts during the school day, at a school function, on a school bus, or from a school-issued device is grounds for disciplinary action.
2. Inappropriate use of a computer, i.e. violation of policy for acceptable use of technology (could result in removal from the course with a failing grade and/or no access to computers or school issued Chromebook).
 3. The use of Artificial Intelligence to complete assignments where it is not permitted. **(See below)**
 4. Failure to report to the attendance office when late to school.
 5. Loitering or unauthorized occupancy in a district building or grounds.
 6. Inappropriate behavior at any school function.
 7. Food delivery through Uber Eats, Door Dash, Grub Hub, etc. is prohibited.
 8. Cutting class – this includes lunch and Study Hall.
 9. Leaving the school building or grounds without permission or being in parking area without permission.
 10. Truancy.
 11. Careless driving or violations of parking regulations.
 12. Dress code infractions **(See Below)**
 13. Wearing ear buds/headphones within the classroom
 14. Inappropriate conduct/overt displays of affection.
 15. Verbal abuse or inappropriate action.
 16. Use of profanity or obscene language/gestures.
 17. Insubordination to staff/defiance of authority.
 18. Possession of tobacco products on school grounds. This includes vapes and/or other electronic smoking devices.
 19. Smoking or vaping in school or on school property. Smoking in school or on school grounds violates a township ordinance and is subject to a court appearance, a fine, and community service.
 20. Pulling a fire alarm. The police will be notified.
 21. Vandalism. Payment for labor, repair/replacement will be charged to offender or parent/guardian.
 22. Fighting, assault, inciting, or promoting violent behavior.
 23. Forgery or alteration of school papers, records, passes, etc.
 24. Theft/extortion.
 25. Harassment and intimidation of others (verbal, physical, or by any other means).
 26. Possession or use of alcohol and/or narcotics, or possession of drug paraphernalia on school property, on school sanctioned trips, or at school functions, (the police will be notified). Any sale or intent to distribute drugs/alcohol/any substance that may be capable of altering behavior may result in a hearing before the Board of Education for expulsion from school. This also applies to substances (capsules, supplements, etc.) that appear to be medications.

27. Physical abuse directed to staff members. Such action may be cause for a hearing before the Board of Education for expulsion from school.
28. Possession, custody, or use of a weapon, dangerous instrument (or facsimile thereof), or any item that is unlawful and/or considered to be dangerous.
29. Failure to attend disciplinary assignment.
30. Plagiarism and/or cheating
31. Any other actions or behaviors that are deemed inappropriate by the administration

SRSD AI GUIDELINES (ARTIFICIAL INTELLIGENCE)

Artificial Intelligence (AI) is part of our online world. Teachers will give direction as to when and what type of AI may be used for an assignment. Use outside of these parameters will be considered cheating or plagiarism and a zero or other grade deduction and/or disciplinary consequences will be assigned. Below is an excerpt from the Guidelines for Acceptable Use of Generative AI approved by the SRSD Board:

Prohibited Uses of AI

Teachers will communicate expectations on the use of AI tools in the classroom, syllabus, or assignment instructions so students know if, when, and how AI tools can be used. Using AI in any of the following ways is a violation of board policy and may result in academic and/or disciplinary consequences outlined in the student handbook.

Academic Dishonesty

- Using AI to generate entire assignments.
- Presenting AI-generated content as original work without proper citation.

Inappropriate or Harmful Content

- Generating offensive, discriminatory, or otherwise inappropriate content.
- Misusing AI to create or spread misinformation, bullying, or defamatory materials.

Violation of Privacy

- Inputting personal, sensitive, or confidential information about themselves or others into AI tools.

The full "Guidelines for Acceptable Use of Generative AI" is available at:

<https://www.srsd.net/tech/Docs/2526/AI%20Plan.pdf>

DRESS CODE

Students are expected to present themselves in a neat and clean condition. Clothing should be appropriate for learning and reflect a healthy, business-like atmosphere. The following guidelines are essential and will be enforced. Revealing, suggestive and distracting clothing is not conducive to learning and is, therefore, not permitted.

Examples are, but are not limited to, the following:

- Footwear is required at all times.
- Sunglasses are not to be worn in the building.
- Hats, bandannas, hoods, or head coverings are NOT to be worn during the school day.
- Skirts and shorts must provide appropriate coverage.
- Clothing may not display inappropriate writing and/or graphics.

Dress Code Violations

Any clothing deemed in violation of the dress code by the administration must be changed immediately and may result in disciplinary consequences.

Administration reserves the right to change the dress code standards at any time based on the ever-changing fashion climate.

DISCIPLINARY CONSEQUENCES

Cell phones must be stored in the classroom cell phone holders during all detention periods.

Administrative Detention

Administrative detention is from 2:25 - 2:55 p.m. Students assigned detention are to report promptly at 2:20 p.m. Failure to report to administrative detention will result in additional detentions being assigned.

Extended Detention

Extended detention will be assigned depending on the nature of the offense and at the discretion of the administration. The hours are from 2:25 - 5:05 p.m. Failure to report will result in further disciplinary action.

Community Service

Community service sessions may be scheduled with both the cooperation of the student and their parent/guardian. The time will be determined on a case by-case basis and may be used for a variety of non-aggressive offenses at the discretion of the assistant principal.

Saturday Detention

The same guidelines as stated in the extended detention section apply. The Saturday detention is held in the high school from 8:30 - 11:30 a.m. Failure to attend an assigned Saturday detention will result in the reassigning of another Saturday detention and/or further disciplinary action.

Partial/All Day Detention

This is a supervised half day or full day of school that the student remains in one room. Students must collect schoolwork from their teachers prior to partial/all day detention. Completed schoolwork must be returned to the teacher upon returning to class the next day.

Out-of-School Suspension

Out-of-school suspension is the removal of a student from the school day. A student may not attend any school functions during the time he/she is suspended. The student is not permitted in the school building or on school property during the period of his/her out-of-school suspension. Any student who is suspended will be subject to a readmit meeting with the assistant principal or principal. Subsequent suspensions may result in a conference with the Chief School Administrator to determine his/her status and future in our school system. A mandatory readmit conference may be required before the student is permitted to return to school. Students suspended from school may incur additional consequences following a suspension.

Expulsion

Expulsion is a penalty imposed upon any student by the Southern Regional Board of Education after the recommendation by the building principal prohibiting a student from attending the Southern Regional School District.

Student Grievance Procedure

Recognizing that all students are entitled to "due process" and that mitigating factors may be involved, any student has the prerogative of requesting an appeal of assignment of suspension, expulsion, or other penalties applied, under these guidelines:

1. Any student who desires to have his/her case or behavior reevaluated may, within five (5) school days, request that the building principal review his/her case.
2. Pursuant to any unfavorable decision by the building principal, the student may, within five (5) school days, request in writing a hearing before the Chief School Administrator.
3. Pursuant to any unfavorable decision by the Chief School Administrator, the student may, within five (5) school days, request in writing a hearing before the Southern Regional Board of Education.
4. Pursuant to any unfavorable decision by the Southern Regional Board of Education, the student may appeal this decision to the New Jersey Commissioner of Education within the next ten (10) days.

Drugs and Alcohol

Students can expect the school district to cooperate with the Ocean County Prosecutor's Office in allowing dogs to be brought into school on random occasions to search classrooms and/or lockers for drugs.

Any student suspected of possession and/or being under the influence of drugs and/or alcohol or suffering the effects of previous use of drugs or alcohol will be referred to administration and will be assessed by the school nurse.

Any student suspected of being under the influence of drugs or alcohol will be required to undergo a medical examination by a licensed physician. A drug screening will also be required at that time. A physician must provide written clearance before the student will be permitted to return to school.

Students with positive results will be subject to disciplinary action.

CO-CURRICULAR DISCIPLINE POLICY

Procedures and regulations are enacted in concert with normal school rules. In any case, in which inconsistencies seem to be apparent, school rules will govern. School authorities may modify enforcement and application of procedures, regulations, and rules when mitigating circumstances dictate.

Any student participant in interscholastic or extra-curricular activities who is found to be in possession or under the influence of alcohol/drugs, steroids or is suspected of selling, transferring, or possessing same, at any time whether during a school-related or non-school-related activity shall be subject to the following:

1. First Violation: After confirmation of the first violation, the student shall lose eligibility for two (2) weeks for all inter-scholastic and extra-curricular activities. This includes scrimmages, and inter-scholastic competitions. (This may run concurrently with suspension if invoked by regular school policy.) By permission of the principal and athletic director, the student may participate in practices while the game/scrimmage suspension is being served.
2. Second Violation: After confirmation of the second violation, the student shall lose eligibility for the remainder of the school year for all interscholastic and extra-curricular activities.
3. Subsequent Violations: If there is a subsequent violation, the student will be permanently suspended from all extra-curricular and interscholastic activity.

A Discipline Review Board shall meet to consider requests for reinstatement to athletic teams or activities in certain instances.

Any student athlete deemed guilty of alcohol or drug use by school or community authorities, must submit a written request to the athletic director's office for review by the Discipline Review Board before resuming participation in athletics at Southern Regional. In addition, any student who receives a suspension from regular school classes must also submit a written request to the athletic office for review by the Board. Athletes ejected from athletic contests or guilty of egregious displays of poor sportsmanship must also have a hearing before the Discipline Review Board.

1. The purpose of the Discipline Review Board is to meet and determine if continuance in a sport or activity is in the best interest of the student and the activity. The Board may deny participation, grant immediate participation, or permit participation with some conditions.
2. The Discipline Review Board will consist of a school administrator and three coaches or advisors. The principal's office or the athletic office will select these persons. When possible, the student's guidance counselor will be present to serve as a resource person for the committee.
3. This Discipline Review Board will deal with all requests for reinstatement within 5 school days of the student's request. The request for reinstatement shall not be made until the student returns from suspension. When possible, parents of the student will be given advance notice of the hearing.
4. The Discipline Review Board hearing will consist of a history of the situation and testimony from the student about the incident and expectations regarding his or her conduct in the future.
5. The Discipline Review Board will convene privately and decide on reinstatement. The student will be told immediately of the decision, and written notification will be sent to both the student and his or her parents.
6. A written record of the hearing will be made and kept on file.
7. It is the student's responsibility to meet with the coach after the conclusion of the Review Board hearing.

Due Process

1. Recognizing that all students are entitled to "due process" and that mitigating factors may be involved, any student has the prerogative of requesting an appeal.
2. Pursuant to any unfavorable decision by the Discipline Review Board, the student may request, in writing, her/his case be reviewed by the principal and responded to within 5 school days.
3. Pursuant to any unfavorable decision by the principal, the student may request, in writing, her/his case be reviewed by the Chief School Administrator and responded to within 5 school days.
4. Pursuant to an unfavorable decision by the Chief School Administrator of Schools, the student may request, in writing, a review by the Board of Education and responded to within 5 school days of the regularly scheduled meeting when the case was reviewed.
5. Pursuant to an unfavorable decision by the Board of Education, the student may request, in writing, to have his or her case heard before the New Jersey State Commissioner of Education within 10 days.

GENERAL POLICIES

Statement of Non-Discrimination

It is the policy of the Southern Regional School District not to discriminate on the basis of race, color, creed, religion, sex, ancestry, national origin, or social or economic status in its educational programs or activities and employment policies as required by Title IX of the Education Amendments of 1972 and N.J.A.C. 6:4-1.1 et seq.

Harassment, Intimidation, & Bullying Policy (HIB)

The Board of Education recognizes that a student's right to freedom from discrimination includes the opportunity to learn in an environment untainted by harassment, intimidation, or bullying. harassment, intimidation, or bullying (HIB) means any gesture, any written, verbal, or physical act, or any electronic communication whether it be a single incident or a series of incidents, that is reasonably perceived as being motivated whether by any actual or perceived characteristic, such as: race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, mental, physical, or sensory disability, or any other distinguishing characteristic.

A student who feels they have been harassed, intimidated, or bullied should report the incident to administration. All incidents of HIB will be reported to the principal or their designee who will inform the school's Anti-Bullying Coordinator who will begin an investigation into the action. The confidentiality and privacy of the individuals reporting or accusing harassment, intimidation, or bullying will be respected to the extent reasonably possible.

Media Release Policy

Photographs and video images of students are routinely taken when they participate in school activities and class projects for the purpose of sharing student achievement and celebrating educational programs with the community. The media outlets may include, but are not limited to: Southern Regional School District publications, newsletters, websites, and SNN cable channel 21; plus community newspapers and aired television channels. Personal information may include name, age, grade, school and hometown. Specific address or phone numbers are not released to media outlets. The photographs and/or videos may be used by the district in subsequent years.

As the parent or guardian of a student(s) educated within Southern Regional School District, you have the ability "opt-out" of this agreement. To "opt-out" of this agreement, please contact the grade-level assistant principal, building principal, or the district office. Our administrative staff will be happy to assist you with the process.

Technology Guidelines

The Southern Regional School District provides computer equipment, computer services, and Internet access to its students and staff for educational purposes only. Computers are located in classrooms, labs, and libraries. All online activity may be monitored.

Please click this link to view the full **Technology Guidelines**:

E-Bike Regulations

N.J.S.A 39:1-1 does not permit e-bike use for anyone under 15. If a student is at least 15, he/she must have an e-bike license or a valid driver's license. E-bikes (including low-speed e-bikes) must be registered with the NJ Motor Vehicle Commission. Motorized bicycles must have insurance coverage.
